

KID'S EXPERIENCE SPONSORED BY ALLEGRA

The Kid's Experience Area is excited to present the Monster Mural this year. This Life-Size coloring book page, will be available all weekend for children of all ages (0-100) to paint during the festival. It will bring a little childhood back to the adults at the festival, and give the kids coloring on a scale they've never seen before!

We will have FREE games and events for kids and whole families to enjoy throughout the weekend.
